MEMORANDUM FOR THE RECORD

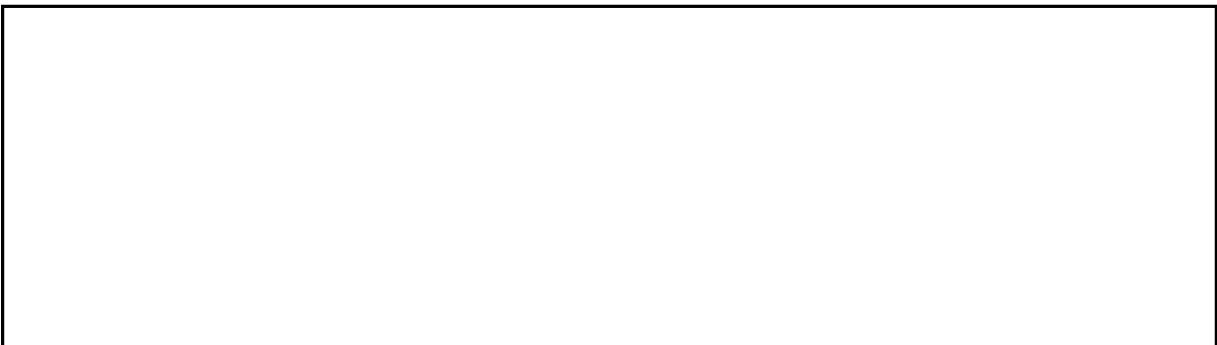

Morning Meeting of 6 August 1968

DD/S discussed the circumstances of an ex-employee's complaint to the Senate Internal Security Subcommittee and indicated that the matter is in hand.

DD/S briefed on the intra-Agency facilities established for providing for the purchase of bus tokens by employees.

Maury reported that it is the FBI's impression that Senator Ervin and Congressman Henderson have agreed on complete exemptions from the invasion-of-privacy bill for the FBI, CIA, and NSA.

25X1 Bross advised that [] has learned that the final mark
25X1 for the CCP runs around [] for Fiscal Years 1969 and 1970.

The Director noted that he will be attending a SIG meeting at 1200 today which will put the finishing touches on BALPA. The Director reiterated his view that the Agency has done an excellent job of managing its BALPA responsibilities and again urged intra-Agency cooperation on making productive use of overseas returnees.
